

Welcome to the YuWaah! Youth Challenge Idea Bank for ages

1. Take the UNICEF UReport survey to test your knowledge about Covid19 by sending the text 'CORONA' to the WhatsApp number 9650414141 or clicking the links below - WhatsApp: <https://wa.me/919650414141?text=cquiz> Facebook messenger: <https://m.me/ureportindia/?ref=cquiz>

2. Make a list of ways COVID-19 is impacting/affecting you, your friends, family, neighbourhood and community.

3. Think about the connection between mental health, migration, loss of income, jobs and livelihood and COVID-19

Now, pick a challenge or questions from the Idea Bank or craft one of your own:

1. What does COVID-19 tell us about our relationship with the **environment**? How might we alter it in response to this crisis?

<p>How can we consume less power, save money and the planet?</p> 	<p>How can we reduce our carbon footprint?</p> 	<p>How can we care for the stray animals around our home?</p> 	<p>How can we practice and promote recycling?</p> 
--	--	--	---

2. How can our **education** system adapt in the face of extended lockdowns?

<p>Help your teacher design an engaging online class.</p> 	<p>Redesign popular games or sporting activities to follow social distancing norms.</p> 	<p>Engage in skill or a hobby with your peers virtually</p> 	<p>How can we ensure that even students without the internet are participating in ongoing school sessions?</p> 
---	---	--	--

3. How might we achieve better physical and mental **health** for all?

<p>What is causing stress among friends and family? What are ways to make everybody feel happy & secure?</p> 	<p>What actions can we take to support those around us in need of assistance? (e.g the elderly/ people with special needs etc.)</p> 	<p>How can we spread information about helpline numbers such as child line 1098, 1091, etc.?</p> 	<p>How can we show our appreciation for the sanitation and health workers and police personnel in our neighborhood?</p> 
--	---	---	---

4. Migrant workers are facing unprecedented challenges . How can post-COVID enterprises ensure sustainable **livelihoods**?

<p>How should employers treat migrant workers so that they don't have to make a dangerous journey home?</p> 	<p>How can we make their journey back home easier and safer?</p> 	<p>What needs to happen in villages and home-towns of workers, for them to remain secure and employed?</p> 	<p>How can we help a person without work, friends or family in a big city feel better?</p> 
---	--	---	--

5. How might we stop the spread of misinformation and fake news? Through what channels can we spread accurate **information**?

<p>How can we check/verify if the information we are receiving about COVID-19 is correct?</p> 	<p>How can we prevent incorrect information from spreading?</p> 	<p>Share verified information through creative social media posts. Eg. Make a hand washing video and share on social media</p> 	<p>Share good practices and positive updates from around the country, on your local radio and online platforms.</p>
