

Welcome to the YuWaah! Youth Challenge Idea Bank for ages

1. Take the UNICEF UReport survey to test your knowledge about Covid19 by sending the text 'CORONA' to the WhatsApp number 9650414141 or clicking the links below - WhatsApp: <https://wa.me/919650414141?text=cquiz> Facebook messenger: <https://m.me/ureportindia/?ref=cquiz>

2. Make a list of ways COVID-19 is impacting/affecting you, your friends, family, neighbourhood and community.

3. Think about the connection between mental health, migration, loss of income, jobs and livelihood and COVID-19

Now, pick a challenge or questions from the Idea Bank or craft one of your own:

1) What does COVID-19 tell us about our relationship with the **environment**? How might we alter it in response to this crisis?

<p>How might we re-design public transportation to ensure social</p> 	<p>How might we all reduce our carbon footprint? Create a campaign to share your ideas.</p> 	<p>Design an effective green cover plan for your neighbourhood. Think about the species, techniques of plantation and nurturing.</p> 	<p>Make and share DIY videos promoting organic and sustainable wellbeing and lifestyle. Eg. DIY cloth pad videos, DIY kitchen gardening videos etc.</p> 
--	---	---	---

2) How can our **education** system adapt in the face of extended lockdowns

<p>How can we teach 21st century skills to young people, especially those that are useful in a post-covid India?</p> 	<p>How can we connect all young people to quality education, including those who lack internet &amp; technology access?</p> 	<p>Pick one space in your school/ learning center and redesign it for a post-COVID world.</p> 	<p>Redesign exam schedules, centres and formats to ensure social distancing</p> 
--	---	--	---

3) How might we achieve better physical and mental **health** for all?

<p>How can we promote safe and healthy conflict resolution between parents and adolescents/ youth?</p> 	<p>Redesign your favourite sport for a post COVID world.</p> 	<p>How might we lift taboo around mental health issues?</p> 	<p>How can we raise awareness on how bystanders of violence against children and women can take action?</p> 
--	--	--	---

4) Migrant workers are facing unprecedented challenges. How can post-COVID enterprises ensure sustainable **livelihoods**?

<p>How might we promote rural entrepreneurship?</p> 	<p>How might we link government schemes promoting micro, small and medium enterprises to the right beneficiaries?</p> 	<p>How might you be able to contribute to your family's financial security?</p> 	<p>How might a city be more inclusive and friendly to migrant workers?</p> 
---	---	--	--

5) How might we stop the spread of misinformation and fake news? Through what channels can we spread accurate **information**?

<p>How might we stop the spread of misinformation and fake news?</p> 	<p>Imagine and share ways to creatively share the most critical information about COVID 19?</p> 	<p>How might we strengthen social bonding among diverse communities for a unified fight against COVID?</p> 	<p>How might we prevent discrimination against COVID positive patients and those who have recovered from the disease?</p>
